# BAKER'S<sup>®</sup> SECRET

# Then & Now

Our story begins with Edward Katzinger's commercial baking pan company, founded in Chicago in 1888. Almost a century later in 1972, the Baker's Secret® brand was introduced and would flourish into a nationwide household name.

We know our customers, and we know that their baking needs are as flexible and inventive as they are. We cover all bases when it comes to providing the highest quality bakeware tools. From start to finish, we control the entire process. With many years of experience behind us producing for the largest retailers around the world, Baker's Secret® is the premier choice for your bakeware.
